

Collegium Solvitur Ambulando Philosophy Discussion Group

Collegium Solvitur Ambulando is the new Masonic philosophical discussion group started by the Hollywood Lodge's Masonic Education Committee. The group will provide an educational forum in which Masonic ritual, symbolism, philosophy and general esoterica can be discussed openly and freely.

The group aspires to mimic times early in Masonic history when philosophical discussions were quite common among the brethren.

The group's name, *Solvitur Ambulando* in Latin means "it is solved by walking." *Collegium* refers to a "guild or social club." The group is scheduled to meet at 7:30 p.m. every fourth Thursday of the month in the Lodge's social hall, and all Masons are welcome and encouraged to attend. Contact Bros. Mark Thie (mcthie01@gmail.com) or Daniel Navama (gkavod@yahoo.com) for information.

What is the Difference between An F&AM and an AF&AM Lodge?

From 1751 to 1813, there were actually two Grand Lodges in England. The difference in AF & AM vs F & AM states goes back to a disagreement between these two Grand Lodges in London at that time.

AF & AM means **A**ncient **F**ree and **A**ccepted **M**asons, and F & AM, **F**ree and **A**ccepted **M**asons

One group was called the "Moderns", but was actually the older of the two English Grand Lodges. The other group was called the "Antients", which became the "Ancients" in AF and AM. Due to this disagreement, the two groups broke into separate Grand Lodges. The disagreement was later healed around 1880, but by that time, there were lodges and Grand Lodges all over the United States that were descended from one group or the other, and so each group kept their corresponding initials with which they were formed (which is the reason for which there are small differences within different states' ritual wording and Grand Lodge By-Laws and procedures).

Most Grand Lodges in the U.S. recognize each other and treat each other's members as valid Masons. Also, all of the U.S. Grand Lodges recognize (and are recognized by) the official Grand Lodges of England, Ireland, Scotland and the Grand Lodges in most of Europe, Asia, Africa, South America, Thailand, India, etc.

From the East...

Greetings Brethren, Ladies and Friends:

I hope this issue of the Chips finds you and yours enjoying spring and gearing up for a great summer. We at Hollywood Lodge are looking forward to a fun-filled summer.

Lodge repairs are underway and we are looking for a completion date in June. The repairs have been slower than anticipated due to a delay in funding by the insurance company; but all that has been resolved. We have received the check from the insurance company for repairing the water damage and Bro. Haig Hagopian has started working to complete the repairs. The repairs to the Lodge due to water damage will include:

- New carpet (with a checkerboard inlay)
- New paint (darker, richer hues more closely aligned with the solemnity of our work)
- New ceiling tiles

We are now waiting for the second check to arrive from the insurance so we can repair the damage to the back exterior wall and stairs, and library wall.

We have some great events on the Horizon - most importantly our St. Johns Table Lodge on June 18th honoring the Most Worshipful William J. Bray, III. We look forward to welcoming Bill as the Grand Master and a valued brother of our Lodge. After that - we have the Picnic on July 23 - a free event that is open to everyone.

I look forward to your renewed participation next month.
